

NCAC Monday Federal Holiday Lesson Make-up Schedule

2024 - 2025

Monday Federal holidays are a great day for you to enjoy time at home from work and for families to have time together. We are acknowledging as many of these holidays as the schedule allows. Here is a list of Monday federal holidays that will be recognized and the make-up days. Fortunately, this year most holidays fall on our monthly Music Fest weeks (MMF weeks), so there's not too much rescheduling. Yay!

Thank you!
